GREETINGS!

I am C-3P0, human-cyborg relations. Hopefully you don't expect me to defend you against hostiles. I am after all only a protocol droid, and not programmed to engage in such harrowing activities. I'm not invincible! But I can offer some assistance by being your guide.

I have taken spotless notes during my journeys, most of which I think will come in handy on your very own adventures. Consider them tips and general observations on how I experienced the galaxy during some rather troubling situations--the LEGO *Star Wars* universe can be a frightfully dangerous place, you know. However, I take no responsibility if any of my "suggestions" result in loss of plastic limb. I've included many suggestions made by my dear friend R2-D2 (sometimes against my better judgement), so it would only seem fair to address all grievances care of him.

Should you find this guide useful, though, please forward all flattery to Lars Moisture Farm, Attn. C-3P0, Tatooine, Arkanis Sector, Outer Rim. —SINCERELY, C-3P0

LEGO STAR WARS II THE ORIGINAL TRILOGY

WELCOME TO THE MOS EISLEY CANTINA

Your journey begins in a rather dubious (despite Han Solo's opinions to the contrary) watering hole, the Mos Eisley Cantina. However, I must insist that you purchase your own drinks – droids are not made of credits, you know!

Starting off, you'll be in control of the lovely Princess Leia, along with her Rebel Trooper companion who seems to follow her almost anywhere – and he doesn't even break a sweat. Go ahead, tease the eager fellow by touring him around the Cantina.

THE BAR

The infamous Mos Eisley Cantina is renowned for its extensive menu of galactic delicacies. Simply wander over to the blue LEGO mat in front of the bar to view what the bartender has on tap, using the A Button to select each option.

HINTS- Especially good for weary travelers with a taste for gameplay tips.

CHARACTERS- Looking for a different flavor? As you journey, bonus characters will become available here.

EXTRAS- Those with a hankering for exotic and expensive seasonings will find these gameplay "cheats" very useful.

CODES- Being the best in the galaxy even means accepting custom orders. Enter your secret codes here.

EPISODES

If you're looking to get right into the thick of things, I suggest jogging over to one of the three episode doors surrounding the bar, each very cleverly named Episode IV: *A New Hope*, Episode V: *The Empire Strikes Back*, and Episode VI: *Return of the Jedi*. Each door leads to several different chapters – all of which should seem oddly familiar to those well-traveled. Once you complete the first chapter, *The Blockade Runner*, subsequent chapters will be unlocked, allowing you to move, in parallel, between all three episodes.

GAMEPLAY MODES

After entering a chapter in the Cantina, you'll be forced to make an extraordinarily difficult choice between two gameplay options. Don't worry, I'm here to assist you.

STORY

The developers of this wonderful game have spared no expense to prepare a Story Mode that follows the events of the original *Star Wars* Trilogy almost exactly. However, you'll only have access to certain characters specific to each scene.

FREE PLAY

For the more adventurous at heart, Free Play Mode allows you to journey back into any unlocked chapter using your choice of characters – and rotate between them at will. While you'll certainly meet some worthy allies during Story Mode, other characters must be purchased at the Mos Eisley Cantina bar or unlocked via Mini-Kits.

THE BASICS

Before you go and get broken into tiny, plastic bits, you should know a few more things. Take a good look below – all of this information is crucial, indispensable, and frankly, very important.

- 1. Hearts** Keep you alive.
- 2. LEGO Studs** Are your currency. (see: page 21)
- 3. True Jedi Status** Collect enough LEGO Studs during each chapter, and you'll attain True Jedi Status. Maintain True Jedi Status for every chapter to unlock this game's innermost secret.
- 4. Mini-Kits** Indicates how many Mini-Kits you have collected on the level.

SPECIAL ABILITIES

THE FORCE

When you are playing a Jedi, you may see a Force glow engulfing an object. That is your cue to perform a variety of special moves:

Force Transform ... Hold R Button while facing highlighted object

Force Powers Pressing the L Button while facing your enemy will activate your Jedi's unique Force powers

BUILDING

Fret not – Jedi don't have all the fun with LEGO bricks. Any humanoid characters can utilize the Build action to transform seemingly useless piles of plastic into... somewhat more useful things, also made of plastic.

Build Hold R Button while facing pile of LEGO bricks

HOVER

They may be Force-less, but certain Astromech droids are pre-installed with anti-grav boosters allowing them to hover to places that Jedi just can't go.

Hover - Press and hold A Button, then move as normal

ACTIVATING PANELS

Some doors can only be unlocked by certain characters. You'll be prompted with a character icon on the panel so you'll know which one to use.

Activating Panels - Face panel, then press L Button

DISGUISES

Sometimes situations require a little less brute force and a little more stealth, so humanoid characters like Luke Skywalker have the ability to disguise themselves as Stormtroopers or bounty hunters to sneak past enemies.

COLLECTIBLES

LEGO STUDS

Since credits are easily counterfeited, a new currency called LEGO Studs has been put into place. These little bits of valuable plastic can be earned in a variety of ways –breaking, blasting, slicing, exploding.

At the end of each chapter, your LEGO Studs are banked and can be exchanged at the Mos Eisley Cantina to unlock characters, cheats, and other extras.

LEGO Stud Currency Exchange Rates:

One Silver Stud**10**

One Gold Stud**100**

One Blue Stud**1,000**

Should your character fall apart, you'll drop a portion of the LEGO Studs you collected during that chapter. Serves you right for being careless!

MINI-KIT CANISTERS

The developers of this game have taken great pride in hiding rare, little items called Mini-Kit Canisters in every nook, cranny, and even the Sarlaac pit. They're difficult to find, but if you can locate 10 Mini-Kits in each chapter, you'll be rewarded with immense LEGO Stud wealth and will be able to unlock additional characters.

PAUSING YOUR PROGRESS

By pressing START, you can pause any near-death situation and view your progress, seeing how many Mini-Kit Canisters you've collected and how close you are to being the envy of all your friends by attaining True Jedi Status for that particular chapter. Or you can merely ignore the conflict at hand and toggle through:

OPTIONS To adjust sound effects and/or music volume, adjust gamma and isometric control, or view the game credits.

EXTRAS This contains special unlockable features that can be purchased at the Mos Eisley Cantina.

SAVE & QUIT ... Save your progress and return to the main menu.

At the conclusion of each chapter, you'll be treated to a measure of your gaming abilities, recounting all the characters you've unlocked for use in Free Play Mode, and the LEGO Studs and Mini-Kit Canisters you've collected.

SAVING

Listen up – this is more important than remembering my manufacturing day! After completing a chapter, customizing a character, or purchasing something from the Mos Eisley Cantina bar, you'll be asked to save your game. This is recommended. Highly. Trust me, it's worth it!

LOADING A SAVED GAME

FROM THE OPENING SCREEN

Select the "Load Game" option using the +Control Pad and press the A Button. Then select a save game slot, and press the A Button again.

DURING GAMEPLAY

To see your saved games from the Mos Eisley Cantina, press START to pause the game and access the in-game "Pause" menu. Select "Quit" to exit the game, and then choose load game from the startup menu.

CHARACTER CHECKLIST

To properly complete this game, one must unlock every single character. Otherwise, I'd seriously reconsider calling yourself a "gamer" – it's just not fair to the truly dedicated humans out there. Also, it has to be said that not all unlockable characters are listed – we can't give away everything!

LucasArts will mail a replacement to you. In the event that the Software is no longer available, LucasArts retains the right to substitute a similar product of equal or greater value. You expressly acknowledge and agree that use of the Software is at your sole risk. Except for the limited ninety (90) day warranty on the media set forth above, the Software and any related documentation or materials are provided "AS IS" and without warranty of any kind. ARISING OUT OF THE POSSESSION, USE, OR MALFUNCTION OF THIS PRODUCT, INCLUDING WITHOUT LIMITATION, DAMAGE TO PROPERTY AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURY, EVEN IF LUCASARTS OR A LUCASARTS AUTHORIZED REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSS. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

YOU AGREE THAT THE LIABILITY OF LUCASARTS ARISING OUT OF ANY KIND OF LEGAL CLAIM (WHETHER IN CONTRACT, TORT, OR OTHERWISE) WILL NOT EXCEED THE AMOUNT YOU ORIGINALLY PAID FOR THE USE OF THE SOFTWARE. YOU AGREE TO WAIVE ANY RIGHT TO EQUITABLE RELIEF, INCLUDING, WITHOUT LIMITATION, ANY INJUNCTIVE RELIEF, TO ENFORCE THE

TERMS HEREOF. THE PARTIES ACKNOWLEDGE THAT THE LIMITATIONS OF LIABILITY IN THIS AND OTHER PROVISIONS OF THIS AGREEMENT AND THE ALLOCATION OF RISK HEREIN ARE AN ESSENTIAL ELEMENT OF THE BARGAIN BETWEEN THE PARTIES, WITHOUT WHICH LUCASARTS WOULD NOT HAVE ENTERED INTO THIS AGREEMENT. LUCASARTS' PRICING REFLECTS THIS ALLOCATION OF RISK AND THE LIMITATION OF LIABILITY SPECIFIED HEREIN. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS DEPENDING ON THE LAWS IN YOUR STATE.

This Agreement is governed in all respects by the laws of the State of California as such laws are applied to agreements entered into and to be performed entirely within California between California residents, and you hereby consent to personal jurisdiction in California. This Agreement will not be governed by the United Nations Convention on

Contracts for the International Sale of Goods, the application of which is expressly excluded. You and LucasArts each agree that any claim or controversy arising out of this Agreement or the Software shall be settled by expedited binding arbitration in accordance with the rules of the American Arbitration Association. Such arbitration shall take place in Marin County, California, and you waive any claim that such forum is inconvenient. Any such claim or controversy shall be arbitrated solely on an individual basis and shall not be consolidated with a claim of any other party. The arbitrator may not change the terms of this Agreement. The arbitrator may award injunctive or other equitable relief to enforce the terms hereof; provided, however, that no injunctive or equitable relief may be awarded that would enjoin or impair LucasArts' rights or ability to distribute or otherwise market, advertise, promote or exploit the Software. If it is judicially determined that any claim or

controversy arising out of or related to this Agreement or the Software cannot be settled by expedited binding arbitration as noted above, then you agree that any such claims or controversies shall be brought and maintained in the state courts located within the County of Marin, State of California or the federal courts of the Northern District of California, and you waive any claim that either such forum is inconvenient. The foregoing shall not preclude LucasArts from seeking any injunctive or other relief for protection of LucasArts' intellectual property rights or similar rights in any court of competent jurisdiction. Because LucasArts would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that LucasArts shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as LucasArts may otherwise

have under applicable laws. The prevailing party in any action to enforce this Agreement shall be entitled to recover costs and expenses including, without limitation, reasonable attorney's fees. LucasArts shall have the right, but not the obligation, to defend or settle, at its option, any action or proceeding arising from a claim that your permitted use of the Software infringes or misappropriates any patent, copyright, or other ownership of a third party. You agree to provide LucasArts with written notice of any such claim within ten (10) business days of your first knowledge thereof and to provide reasonable assistance in the defense of such claim. LucasArts shall have sole discretion and control over the defense or settlement of such claim, unless it declines to defend or settle such claim, in which case you are free to pursue such course of action as you reasonably determine. LucasArts is under no obligation hereunder to indemnify or hold you harmless with respect to any

actions, proceedings or claims. In the event of such a claim, or if LucasArts believes such a claim is likely, LucasArts may: (i) procure for you the right to continue using the Software; (ii) modify the Software so that it becomes non-infringing; or, (iii) terminate this Agreement. You agree to comply with any court judgment or other conditions imposed on you or LucasArts as a result of an allegation of patent or copyright infringement (whether by court order, agreement or otherwise), whether or not such judgment or conditions contradict the conditions of this Agreement, including without limitation, ceasing use of the Software.

If any provision of this Agreement is held to be invalid or unenforceable, such provision shall be struck and the validity and enforceability of the remainder of this Agreement shall in no way be affected or impaired thereby and such provision shall be enforced to the maximum extent possible so as to effect the intent of the

parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.
